

1. Group number

29

2. Group members:

Dan-Lin Dana Wang (kzh628)

Kim Rønsholt Mikkelsen (wpg345)

Oliver Fredborg Smietana (kph383)

Simon Ullrich (jbg569)

3. Research question

How is the term “sygeplejersker” (nurses) used in the Danish media and parliamentary debate (FT).

Has the usage evolved over time?

How has corona impacted the usage of the term nurse?

Which topics emerge in relation to nurses in the media and debate?

How frequently have nurses been mentioned in medias and FT?

How are the two debates forums related/aligned?

4. Data

We use scraped html data from tv2.dk, dr.dk and raw xml data from ft.dk (Folketinget)
